EXAM 1 & 2 ★ SUGGESTED STUDY STRATEGY

You can use the following to help you layer your studies:

★	GET AN OVERVIEW FROM YOUR TEXT BOOK: chapter reviews, review questions, outcomes, class tests	
★	WORK THROUGH YOUR class work	
★	WORK THROUGH YOUR assignments	
★	Use your group project to work through every practical step required when doing design, implementation & support	
★	USE YOUR TEXT BOOK AGAIN: Questions at the end of each chapter, especially the "deeper" ones like "problems & exercises", "projects & research", "mini-cases"	
★	WORK THROUGH THE book's chapters if you feel it is necessary	Textbook
★	WORK THROUGH THE tests & memo's <semester & big>, previous years' exam papers and previous years' semester & big tests	Available on eFundi
★	Get together with peers and anticipate questions & potential answers (get into the lecturer's head)	

USE THE slides | text book | videos on eFundi TO GUIDE YOU

Use your WhatsApp group to learn from your class mates

Use the principles Kevin Horsley taught you to study the theory concepts to ensure that you will be able to apply the knowledge to a case study environment
